UPGRADE YOUR HOTEL BATHROOMS

with Glossy, Marble-Look SMC Waterproof Shower Kits!

Designed for hotels, our high-quality SMC shower kits combine durability, elegance, and easy maintenance. Made from a lightweight yet stronger composite of resin, fiberglass, and fillers, these complete kits offer a luxurious, marble-like finish without the high cost or upkeep.

WHY CHOOSE OUR SMC SHOWER KITS?

Our high-quality SMC waterproof shower kits are designed specifically for hotels, ensuring a premium guest experience while reducing maintenance costs. Made from a lightweight yet stronger composite of resin, fiberglass, and fillers, these kits offer a marble-like glossy finish without the high price or upkeep.

WALK-IN SHOWER

SMC-WI-FB

Side Panel	Back Panel	Height	Thickness
30-42"	48-60"	Max 96"	(3.5mm)

INSTALLATION INSTRUCTIONS

1

PREPARE THE SURFACE

Ensure the shower walls are clean, dry, and free of debris.

2

MEASURE AND CUT

Adjust the panels to fit your specific dimensions if needed.

3

APPLY ADHESIVE

Use a recommended waterproof adhesive for secure mounting.

4

POSITION THE PANELS

Align and press panels firmly into place, ensuring a seamless fit.

5

SEAL THE EDGES

Apply waterproof sealant to all joints for added protection.

6

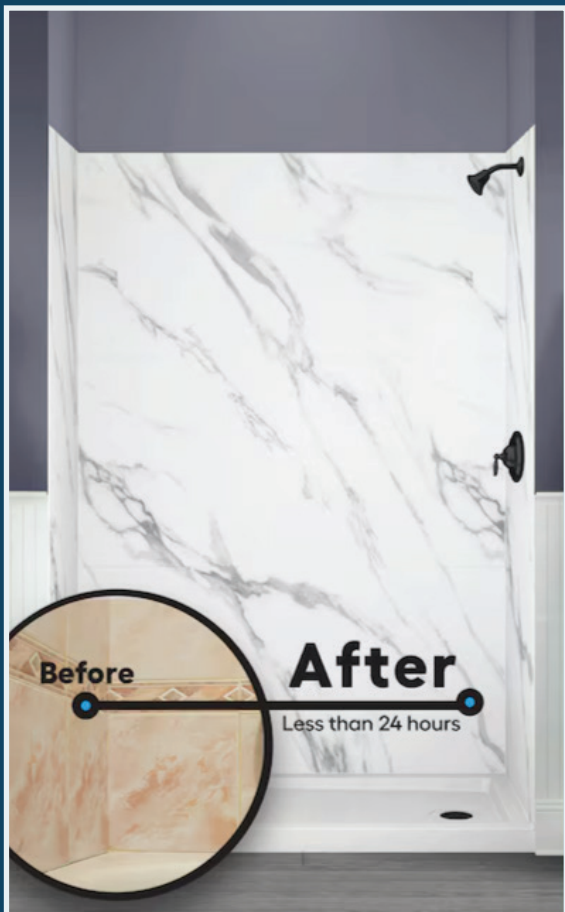

INSTALL ACCESSORIES

Attach optional shower doors, tub screens, or shower trays as required.

7

FINAL CHECK

Allow the adhesive to cure and inspect for any necessary touch-ups.
